Dear Randy,

Thank you! -- Thank you! -- And -- Thank you!

I honestly didn't believe that it was possible to find entertainment that everyone, without exception, would rate "EXCELLENT" -- but you and your "Jest For Fun" crew proved me wrong! The post convention surveys told us that "A Party To Murder" was the type of entertainment we "needed" to have every year. Comments included:

- "Loved the murder mystery dinner!"
- "The entertainment was fun, and it got everyone involved!"
- "Digger Deep was a fantastic master of ceremonies. He brought out the 'ham' in all of us and we loved it!"
- Randy Manning either did his homework well or he know a lot about jewelers!"  
And . . .
- "Let's murder someone again next year!"

Randy thanks for making heroes of our program chairman and us. If anyone ever asks for a reference -- send them to us!

Sincerely,

Sharon and Bill Blair
