Murder in Mayberry Dinner Theater at the 2005 RAPID Conference

Dear Randy:

A huge thank you from Clearwater, FL! As a meeting planner, I can't tell you how hard it is to come up with new ideas for a group of 200 attendees. I couldn't envision how 2 people could possibly entertain and hold the attention of a large crowd for a dinner show. Needless to say, I watched and was totally amazed at your outstanding performance. Young and old alike enjoyed the challenge of figuring out "Who Done It". Never have I received as many compliments on a program as I did with your production of Murder in Mayberry! Everyone continued to rave about the event over the remaining days of the conference.

You definitely provided the complete package by entertaining the guests while giving our sponsors the recognition they deserved. Please express my thanks to Mary as well. She is truly a gifted actress with wonderful spirit. Thank you for making my job easy on the biggest social evening of our conference.

Sincerely,

Kelly R. Garey
