Huge Success Randy worked his magic with the entire room. Keeping 135 people entertained and manipulating 35 "Characters" from Our group. I can safely say everyone had a great time. In fact I am still getting thank you calls from Our Group. For the first time in almost 10 years, the entertainment for the Saturday Dinner kept everyone there to the very end. Most of the time, people start leaving right after dinner. NOT THIS NIGHT, no one wanted to leave. The last thing I want to point out, the staff at the facilities said Randy was great to work with, he faxed them a "schedule" of events so they could plan the meal service properly. They also stated that they have Murder Mysteries done there before, nothing compared to this night. They said other companies bring in 5 to 10 people and do the "the story" themselves. They said the guest don't even pay attention. Randy and one other professional is able to keep everyone's attention. The bonus is that he can use up to 35 of your guest as participants, making each show unique.

Now the message between the lines:

Randy Manning is Awesome!!

If you are even considering using him, stop thinking –

BOOK IT!

It won't be a mistake
